

We will be allocating areas on the pool deck for each club, this information will be provided to coaches as they arrive and sign in.

Access will be by the main doors only for everyone entering the building; to avoid blocking access we ask everyone to wait outside the building and we will ask you to enter in the following order. We will have helpers to guide you.

Volunteers involved in set up will be allowed access at 7.00am as Water Meadows opens.

Coaches/ team managers will be allowed access to main desk to sign in at 7.10am, pick up their packs and wristbands. Each coach / team manager will have to sign in individually. This is to ensure someone from each club is there to oversee own swimmers.

Swimmers will be allowed in approx. 7.15am

Spectators will then be allowed in after swimmers. Please ensure you wear your wristband all day and remember no photo or videoing is allowed except by official photographers.

Sporty swim should be with us for the weekend for any "emergency" swimwear, goggles etc or early Christmas presents.

The Café at Water meadows will also be open all weekend.

Enjoy your weekend and let's hope for lots of fast swimming

Thank you for your support

All at Mansfield Swimming Club
